Where we are?

Pushpak is India's largest multi-modal transport company supported by highly experienced promoters and run by a team of dedicated staff, who constantly look to achieve excellence and develop new routes in coastal trade.

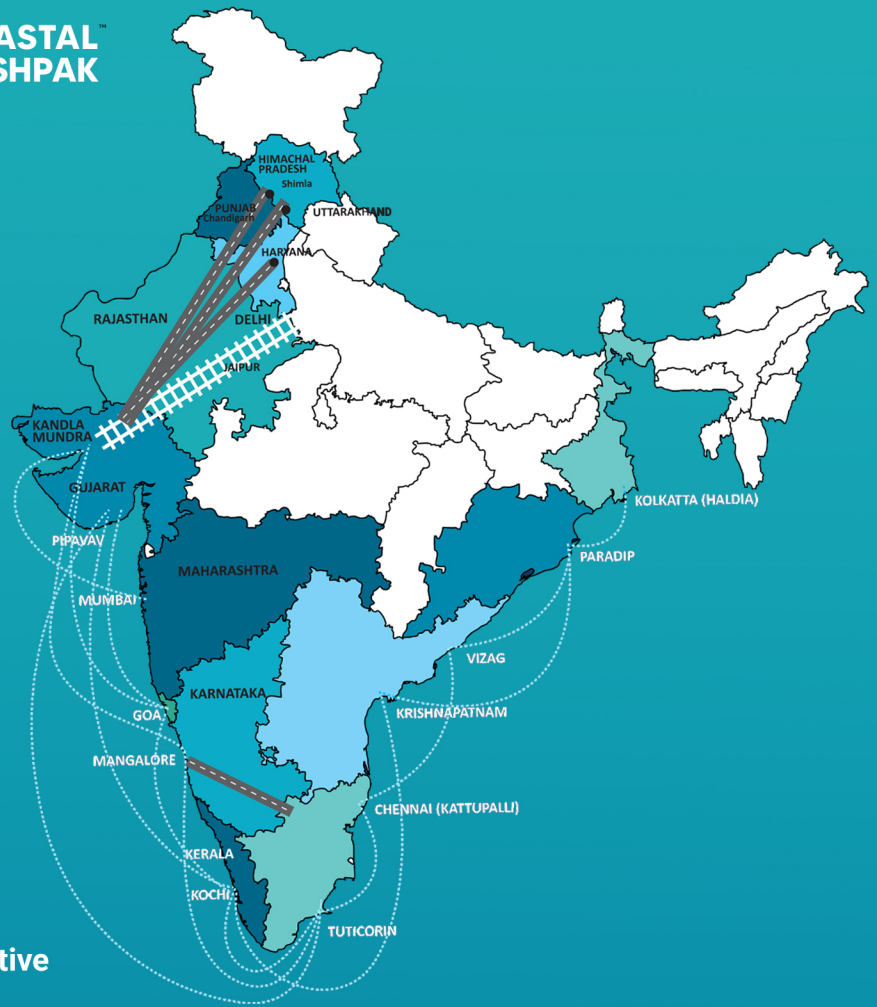

Pushpak is the first forwarder to start coastal container movements between Gujarat and Cochin, Mangalore, Chennai, Hazira, Goa and Tuticorin.

Pushpak is currently handling over 2,000+ containers a month translating into a majority of market share in India's coastal trade, which makes it the market leader in India's coastal forwarding business.

Pushpak has won the support of all major Indian coastal lines such as Avana Logistek Ltd (formerly known as Shreyas Relay Systems Ltd), Shipping Corporation of India Ltd (a Navaratna public sector undertaking), TCI Seaways and Sima Marine India Pvt Ltd.

Pushpak has a major stack with all the Indian coastal lines whose vessels are calling at major and minor ports of the country.

Our Coastal service offers the most effective multimodal mode of transport for goods, covering all major ports in India, supported by our capable and dependable network offices in these regions

- End-to-End Logistics Solutions
- Truly Multimodal
- Highly efficient, Reliable, Cost-effective
